RESPONSE TO NON-FINAL OFFICE ACTION

Sir:

IN THE SPECIFICATION:

Kindly cancel paragraph on page 2 at line 7 of the specification and introduce amended paragraph as follows:

It is therefore a first object of the present invention to provide an apparatus and a method for controlling a single graphic controller system with a single memory subsystem having at least two display outputs, in which control of surface selection, conversion, combination, scaling and output is afforded without the limitations known in the prior art.
